

Energy Efficient 3 Bedroom Home on one Level!

Location: Timbers Addition
Up to \$20,000 in Financial, Closing Cost, and Downpayment Assistance Available to Income Eligible Buyers.

Brand new 3 bedroom home with hydronic in-floor heat and finished double attached garage. This new home offers a spacious open design with a vaulted pine tongue and groove ceiling in the kitchen, dining and great room area. The main living room also features a nice natural gas fireplace creating a nice focal point in the main living area of the house. The home has a Master bedroom with attached shower bath. A nice tiled entry connects the garage to the rest of the house. A stove and fridge are also included in the Sale price.

Stove and Fridge included in sale price.
